

screen printing

To get your message across loud and clear you sometimes have to think big and, these days, there are more and more opportunities for you to use large format or unusually shaped banners and posters to carry your message.

At Action Graphics, you'll find everything you need for the production of giant-sized, high-definition materials.

SCREEN PRINTING... at a glance:

- Shelf-based, floor-based, window or ceiling-mounted. ◀
- In-house stencilling, cutting, colour-matching and production of virtually any design or visual onto any suitable material. ◀
- Purpose-built ink-drying tunnel to accelerate drying. ◀
- Ideal for single-colour flood-coated signage. ◀
- Can be used for signs requiring metallic or high visibility colours that CMYK mixes cannot reproduce. ◀
- Easily produce one-off or high volume items. ◀

TYPICAL APPLICATIONS:

Large format banners for indoor or outdoor use, directional signage, self adhesive labels, point-of-sale promotional items... and more!

...Put your ideas into Action

Here are just a few examples of screen printing sign projects that we have produced for a wide range of customers.
